Join **GAP Partners** for a Subcontractor Outreach Event to learn more about our pursuit to deliver the proposed Spurs Arena and our approach to engaging local trade partners. GAP Partners is a joint venture partnership that includes **Guido Construction**, **Austin Commercial** and **PCL Construction**.

This session offers subcontractors and trade partners an opportunity to connect with the GAP Partners Team, learn about the anticipated project scope, and understand the general procurement approach ahead of the future bid process.

*Focus: Showcasing potential opportunities for local subcontractors, encouraging early engagement, and growing strong partnerships in support of the proposed project.*
