

Construction Jobsite Safety Precautions

#StaySafeStayEssential

SOCIAL DISTANCING

Maintain 6ft of separation between persons while performing tasks & at all meetings. Avoid shaking hands.

WASH HANDS FREQUENTLY

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based hand rubs or gels.

AVOID TOUCHING FACE

Virus droplets can live on surfaces that you touch, and then get into your body through membranes on the face - specifically the eyes, nose & mouth.

WEAR MASK OR CLOTH COVER OVER NOSE & MOUTH

To minimize touching your face & to help avoid spreading the virus, wear a mask or cloth over your nose & mouth when interacting around people.

DISINFECT SURFACES

Clean & disinfect frequently touched surfaces (doorknobs, handles, tables, keys, phone, computers) to avoid the spread of germs.

NO UNNECESSARY VISITORS

Avoid unnecessary visitors to the workplace to avoid possible entry & spread of germs

IF YOU'RE SICK STAY HOME

To reduce the risk of spreading the illness, stay home if you feel sick, even if your symptoms are mild.

KNOW THE SYMPTOMS

Early symptoms include fever, dry cough & fatigue. The virus can lead to trouble breathing, chest pain, pneumonia & respiratory failure.
